TO SAN ANTONIOHighway Photographer to
Meet Secretary Colp at Ft.
Stockton En Route.

A. L. Westgard, who is photographing the transcontinental automobile routes in western United States, left El Paso Thursday morning for San Antonio, Texas, his party traveling in two automobiles. He will take a series of motion and "still" pictures all over Texas, which are to be shown throughout the country for the education and enlightenment of the public.

Mr. Westgard will be met by D. E. Colp, secretary of the Texas Highway Association at Ft. Stockton. Mr. Colp is arranging for camping sites and other details of the trip from Ft. Stockton to San Antonio.

Spends Night at Eagle.
On his way to Elephant Butte dam, where he went to take pictures, Mr. Westgard broke a valve spring and got some bad gasoline at Las Cruces Sunday that forced him to stop at Eagle over night.

H. C. Price, camera man for Mr. Westgard, is a former El Paso boy. His father, H. P. Price, formerly owned Price's grocery store in the Mundy building in El Paso and young Price attended school here, both at Bailey and Sunset schools. He says he did his best to get good pictures of "old El Paso." Mr. Price, now lives in Los Angeles.

"See—all you have to do is to use
your two fingers and lift the corn right
off. That's the way 'Get-It' always
works. You just put on about 2 drops.
Then the corn not only shrivels, but
loosens from the toe without affecting
the surrounding flesh in the least. Why,
it's almost a pleasure to have corns
removed."

and see how 'Get-It' gets them off in a
hurry and without the least pain. I
can wear tight shoes, dance and walk
as though I never had corns."

"Get-It" makes the use of toe-irri-
tating elixir, bandaging, tape,
plasters and other things not only fool-
ish, but unnecessary. The wonder-
ful discovery, "Get-It," for soft
or hard corns or callus. It is the new,
simple, easy, quick way, and it never

HARPER TICKET
PUT IN FIELDFifty-one People Nominate
Four Aldermen at Court-
house Meeting.

Four sources for the city alder-
manic officers were named and an
executive committee composed of 25
members to handle all matters con-
cerning the campaign leading up to
the city election to be held during the
early part of April was appointed at
a meeting attended by 51 members of
the Independent Voters' League Wed-
nesday night in the 41st district court
room. A printed ballot on which were
12 names was submitted to those pre-
sent by J. H. Harper, with instructions
to cross out all but the four men whom
they favored as aldermanic candidates.
The four leading candidates in the bal-
lot were C. F. Ederle, V. E. Ware,
C. H. Stevens and Charles Kinne. They
will oppose the Davis ticket.

Chairman John T. Hill, who was in
conference with J. H. Harper prior to
calling the meeting to order, announced
that Mr. Harper had presented resolu-
tions on the order of business for the
evening and that he desired to submit
them. Mr. Harper stated that he be-
lieved the league should not pursue ac-
tion in the matter of endorsing a
candidate for the office of
mayor and other city officers.

A. H. Sutherland addressed the chair-
man before the motion was passed,
making just why the league should sup-
port the endorsement of the candidates
for other officers and was answered by
chairman Hill, who said: "The most
prominent man here is Judge Harper,
and he has outlined the order of busi-
ness in that way, as he felt like that
in time the executive committee may
decide on another man, they having
endorsed him for that position at one
time."

On motion, the resolution that only
the aldermanic candidates be endorsed
and the executive committee appointed
was read and approved by those present.
Mr. Harper then stated that he had ar-
ranged a ballot hearing 12 names which
he desired to submit to the voters
present who were to cross out all but
the four men whom they favored as
candidates for the aldermanic offices.

"I have prepared the ballot with these
names on it, all of whom are well
known business men, you will find,"
said Harper.

"We want to put a ticket in the field
that will result in harmony among
the dissatisfied element. I had the bal-
lots printed myself, and, although I
am not sure that all of the men on the
ballot will agree to run if they are
nominated at this meeting—if they re-
fuse to run we can find someone to
take their places."

Reads the Names.
Chairman Hill was then requested to
read the names on the ballot, which
had been prepared: "C. F. Ederle, and
V. E. Ware, are well known to the
labor union men, and have received
their endorsement, we understand,"
he said. "J. J. Mundy and Charles R.
Stevens, are members of the Republi-
can party. I do not believe that L. F.
McChesney or W. J. Ford will accept
the nomination, they having with-
drawn from the primaries after being
given unfair treatment. The other
five—J. E. Morgan, Charles DeGraff,
W. Cooley, Sol I. Berg and W. C. Davis
are all well known in El Paso."

It was explained that if the mem-
bers of the league did not desire to
vote for any of the names on the bal-
lot, they could substitute others.
Four persons were appointed to take
up the ballots and count them, the
final count being: C. F. Ederle, 23;
V. E. Ware, 20; L. P. McChesney, 7; W. J.
Ford, 10; C. A. Kinne, 12; J. E. Mor-
gan, 2; Charles DeGraff, 5; W. Cooley,
14; Sol I. Berg, 6; W. C. Davis, 3; F.
M. Miller, 2; Paul Nafe, 1; J. E. Hig-
gins, 1; A. H. Sutherland, 1; John T.
Hill, 2; Ederle, Stevens, Kinne and
Ware, who received the highest num-
ber of votes, were then nominated by
motion.

Mr. Harper's Executive Committee.

The appointment of the executive
committee was then suggested by Mr.
Harper, who stated that he had pre-
pared a personnel of 25 men, whom he
recommended as an executive commit-
tee. The committee would have full
power to handle the affairs of the elec-
tion, he said, and would attend to all
internal matters of the league. The
list of names made up by Mr. Harper
were read and adopted. They were:
John T. Hill, W. H. Morgan, Paul Nafe,
A. H. Anderson, Lamar Thomas, A. H.
Sutherland, C. Ballard, F. B. Stuart,
W. H. Case, E. C. Smith, W. High-
smith, W. G. Roe, J. A. Morris, J. E.
O'Neill, H. W. Fontana, W. P. Fletcher,
E. M. Lawrence, A. P. Coles, Wyeth
Dunk, W. A. Hazard, J. C. Rous, Fred
Knollenberg, John Vance, Joe Sullivan,
H. Vance.

The meeting was then declared ad-
journed after a resolution making
provisions for another meeting to be held
Friday night for the purpose of hear-
ing a report of the executive com-
mittee had been passed.
